CPD LIVE
Free CPD education online

1 Formal CPD point

Please be aware you are required to manage your own CPD records. We will provide you with your participation certificate and answer sheet once you have attended the full seminar.

The Art of Sun Shading Selection – An Introduction to Blinds & Curtains

Proudly supported by Verosol

1. What are 3 functions related to blinds and curtains?
2. What does SHGC or G Value measure?
3. Name 2 well-known environmental certifications associated with window coverings.
4. Name 3 types of Window Treatments?
5. What are some of the benefits associated with automated shading systems as compared to manual systems?

6. Name the 2 Challenges must be considered when measuring the sustainability of blinds and curtains.

At the end of this panel, attendees will be able to:

· Identify the aesthetic and functional benefits of the various types of blinds and curtains, including those for both internal and external use

· Demonstrate an understanding of scientific terms, which are commonly used to describe the behaviour and control of light

· Outline the variables involved in measuring the environmental sustainability of blinds and curtains

· Identify the regulations associated with the installation of blinds and curtains in Australia

Competency Codes: PC 33 PROJECT INITIATION AND CONCEPTUAL DESIGN, PC 45/PC 36 DETAILED DESIGN AND CONSTRUCTION DOCUMENTATION, DESIGN DELIVERY AND CONSTRUCTION PHASE SERVICES PC 58
